REVENUE SECRETARY 13/1

Sir,

Sub: Establishment of weekly shandy at Ujjini, Huliyurdurga Hobli, Kunigal Taluk.

I have the honour to state that the Chairman, Village Panchayet, Ujjani in his report No.1/45-46 dated 19-11-45, while forwarding a copy of the resolution passed by the Village Panchayet at their meeting held on 18-11-45, stating that the village was on the border of the Taluk in the Middle of a thick forest and 22 miles away from the Taluk Headquarters, requested for the establishment of a shandy to be held on every Monday at the place in the interest of the Rural Public of the surrounding villages

This subject was placed before the District Board at their meeting held on 5/6-4-1946, and it was resolved that objections might be called for, for holding the shandy.

Accordingly, objections were called for, duly publishing a notification No.LF3.PR.66/45-46 dated 10-5-46 in the Kannada copy of the Mysore Gazette in its issue dated 23-5-46, fixing 24-6-46 as the last date for receiving such objections and no objections were received in the matter. The subject was again placed before the District Board at their meeting held on 5/6-9-1946, and they have resolved that a weekly shandy might be held on every Monday at Ujjini, Huliyurdurga Hobli, Kunigal Taluk.

In this connection, I wish to state this village is at a distance of 22 miles from Kunigal, 16 miles from Maddur, 20 miles from Magadi, 16 miles from Channapatna and 8 miles from Huliyurdurga with a population of 2000. Further no shandies are being held within a radius of 6 miles from this village, and in the interest of Rural Public

P.T.O.

public of surrounding villages, a weekly shandy is quite necessary to be established at the place, to afford facilities for the purchase of sundry articles by them.

As regards shade and water facilities, the shandy is proposed to be held in Survey Number 34, a Government tope with an extent of 4 acres and 38 guntas of Sri Chowdeswami Temple. There are 14 shady trees. To the south of this tope there is a tank, a step well and a drinking water well for the supply of water for men and cattle, and the ~~village~~ tope is within a furlong from the village as seen from the sketch enclosed herein. The village Panchayet have resolved to hand over this tope for this purpose.

I, therefore, request you to kindly obtain sanction of Government for the resolution of the Board to establish a weekly shandy at this place on every monday.

Copies of resolutions dated 5/6-4-46 and 5/6-9-46 together with the notification dated 10-5-46 and sketch where the shandy is proposed to be held are herein enclosed for favour of information and early sanction.

I have the honour to be,
Sir,
Your most obedient servant.

President, District Board,
Tumkur District.
